

PADEL TENNIS

**A powerful tool
against burnout
of your employees
and their quiet
quitting.**

**Why do you
need
us?**

75%

of employees in the
UAE are considering
changing jobs in 2023

\$4,129

the average cost of
hiring an employee

The American Journal of Health Promotion found that for every dollar invested in employee wellness programs, companies can expect a return of

\$1.50 to \$3 in healthcare cost savings.

The Harvard Business Review found that companies that prioritize employee well-being through wellness programs experience a

25% reduction in healthcare costs.

**By implementing padel
in your well-being program,**

**you can reap the benefits of a healthier and more
engaged workforce, leading to increased
productivity, reduced quiet quitting, improved talent
attraction and retention, and significant cost savings.**

**Wait, but
why padel?**

Team sport

Competitive

**It's easy to
learn and
to start
playing**

**Padel is inclusive
and can be
enjoyed by
individuals of all
fitness levels**

**What
formats do
we offer?**

Corporate League:

Engaging Employees, Fostering Well-being

Sparks enthusiasm, showcases skills, builds camaraderie, and fosters belonging

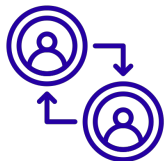

Encourages collaboration, strengthens relationships, and improves teamwork skills through team formation and non-work interactions.

Connects employees, fostering collaboration, a cohesive culture, and facilitating networking for knowledge exchange.

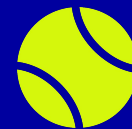

Break down hierarchical barriers and foster cross-departmental collaboration

Players change partners every round, creating a dynamic and collaborative playing environment.

Promote teamwork by encouraging employees to adapt to different playing styles and collaborate effectively with diverse colleagues.

Social games: Boosting Teamwork

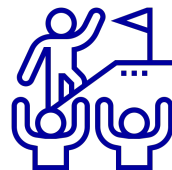

Monthly Tournaments: Driving Success

Tournaments provide an outlet for physical activity, reducing stress and improving overall well-being.

Tournaments create excitement, pride, and a sense of accomplishment, increasing overall employee morale and job satisfaction.

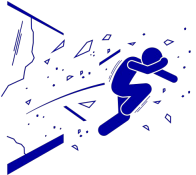

Healthy competition in tournaments fuels employees' drive to excel and continuously improve their skills.

Building connections through shared experiences on the court strengthens teamwork, communication, and cooperation in the workplace.

The dynamic nature of Random Padel stimulates creative thinking and problem-solving skills.

Collaborating with different colleagues in each game cultivates fresh perspectives, leading to innovative solutions and breakthrough ideas.

Random Padel: Building Connection

Make Your Next Team Event a 12/10

100% Fun.
